THANK YOU

Didn't all the Scarecrow makers do well? There were so many smiles and compliments about them all. It was really good to see so many scarecrows too; the majority of people visiting the Village Hall said how wonderful they were and often asked if it was difficult to make them!

Very many thank yous to you all for producing so many brilliant and varied ideas. How could we have a Scarecrow festival if it wasn't for you?

A huge thank you to all the people who worked so well in the kitchen cafe and on the till during the Scarecrow festival. It was a case of 'many hands make light work' and we all worked well together as a team.

Another enormous thank you to all the 'Scarecrow Bakers!' Without you, there wouldn't be a Scarecrow cafe. Some of you must have baked through the night to replenish the buns and cakes when we almost ran out of them.

Again, many, many thanks go to the people who worked long and hard selling the merchandise, maps, treasure hunt squares and tombola tickets and raised a good sum of money too.

Everyone – the cafe workers, the bakers and 'sellers' - have done so much to raise money for the up-keep of the Village Hall. In total, you raised over £ 7,200 which is absolutely amazing and our second best ever festival.

IMPORTANT NEWS

WETWANG VILLAGE SHOW 2017

Due to unforeseen circumstances the Wetwang Show Committee has sadly decided to cancel the show this year.

After a continuous run of 21 years it has not been an easy decision to make. Our show has always been well managed and the committee feels that, given the short time remaining, it would be impossible to organise the show this year to our usual high standard.

The Committee would like to thank all those who have contributed and helped in past years and hope that with more help and support it may continue next year.
